

Screenshot:

Output : User Authentication System

The screenshot displays a web browser window with the address bar showing 'localhost:3000'. The browser has multiple tabs open, all labeled 'User Lo'. The main content area features a 'User Login Form' centered on a light purple background. The form is a white card with a blue shadow. It contains the following elements:

- Username:** A label in blue text above a text input field containing 'testuser'.
- Password:** A label in blue text above a text input field containing masked characters '.....'.
- CAPTCHA:** A grey box displaying 'K1M61M' with a refresh icon on the right. Below it is a text input field containing 'K1M61M'.
- Checkbox:** A checked checkbox followed by the text 'I'm not a robot' and a robot icon.
- Submit Button:** A solid blue button with the text 'Submit'.
- Separator:** The text '— or —' centered below the submit button.
- Google Login:** A button with the text 'Continue with Google' and the Google logo.

The Windows taskbar is visible at the bottom, showing the search bar, taskbar icons, and system tray with the date and time '11:09 AM 10/17/2025'.
